## REQUEST FOR RECONSIDERATION

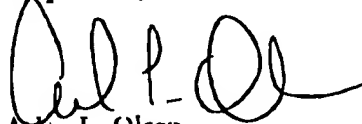

PETITIONS OFFICE

In response to the Final Office Action of June 20, 2002, Applicant respectfully requests  
that the above-identified application be reconsidered in view of the remarks that follow, that the  
presently pending claims be allowed, and that the application be passed to issue.

Applicant respectfully requests the Patent and Trademark Office to reconsider  
Applicant's amendment filed on August 20, 2002 because it does comply with 37 C.F.R.  
1.121(c). In particular, during a telephonic interview, the Examiner stated that no marked-up  
version of claim 24 was present in the Amendment. Respectfully, claim 24 was never amended  
in the Amendment submitted on August 20, 2002. Rather, claim 24 is identical to the claim 24  
that is currently pending in the file and was submitted on April 2, 2002.

Date: 2/24/03

Respectfully submitted,

Arlen L. Olsen
